

Proven Solutions. Expert Advice.

MISSION STATEMENT

The people of Richwood design and manufacture premium conveyor accessories and provide services that help our customers optimize productivity in bulk material handling. Our reliable presence helps ensure our clients' safety and profitability in their operations. Richwood's goal is to create long-term relationships with our valued customers built on mutual respect and trust.

WE COMMIT TO

- *Manufacture products that perform extraordinarily*
- *A work environment that promotes teamwork, loyalty, honesty, and professionalism, focused on outstanding service to our customers*
- *Continued investment in training and education to benefit our employees and customers*
- *Partner with vendors who share our commitment to high quality, respect for employees, and dedication to their customers*
- *Provide excellent value in all of our products and services*
- *Invest in research and development to bring technically superior and innovative products to our customers*
